GARDEN CITY
COMMUNITY COLLEGE

Student Learning Assessment Team (SLAT):

Meeting Minutes: October 7, 2020

  Time Started: 2:00 pm

  Time Ended: 3:11 pm

Members Present:

Brian McCallum	Samantha Sanger
Brandy Unruh	Perla Salazar
Chris Turpin	Chip Marcy
Bradley Sisk	Seth Kristalyn

Members Absent:

None

Issues:

 I.   Minutes, Discussion: Approved as amended.

 II.   Gen Ed Report (Chris, Seth): Gen Ed will be hosting an informative meeting to bring all faculty up to speed on the current state of Gen Ed assessment, terminology, and short-term/long-term plans. Meeting will be October 15th at 2:00 pm. SLAT discussed the definitions and explanation that Gen Ed wants to bring forward. Gen Ed presented their planning document for this meeting. All faculty needs to be invited to this informative meeting. All faculty (even the ones not currently participating in Gen Ed assessment) need to be aware of how Gen Ed assessment works. HLC will expect ALL faculty to know how this process works. Brian will send out the invitation email to all faculty.

 III.   Assessment accountability: SLAT members are still working on checking the accountability document. Questions have come up with regards to why is there such high emphasis on the need to turn in their assessment Plan. Plans need to be turned in at the start of the semester to make

sure we know what is being assessed, and to be able to have those plans shared with adjunct instructors. SLAT will revisit this conversation about Plans in the spring.

IV.   Tech Outcomes: Problem Solving mock up is in progress. Other outcomes are being worked on. The goal is to have three rubrics and have the rubrics be very similar to each other. The plan is to have some programs pilot these outcomes in Spring 21 and have a full roll out for Fall 21. The possible name right now is Employability Skills.

 V.   Newsletter/Training videos/assessment workshop topics: Sam is working on finishing the newsletter and sending it out. Assessment workshops will be optional.

VI.   Professional development: There is Canvas development opportunity next week. The IUPUI conference online will be held October 26 – 28th.

VII.   New business: Add Seth to emails and attendance.

Next Meeting:

The next meeting of this committee will be October 19, 2020 at 2:30 pm.
