OPEN COMMENTS FROM PUBLIC:

Chair Douglass noted that Sam Hermocillo wished to address the board.

Hermocillo spoke on behalf of several residents who currently reside in mobile homes on property that had recently been purchased by the college and they were expected to vacate the premises by March 15. Hermocillo told trustees that some residents cannot relocate their mobile homes due to a Kansas law that prohibits the relocation of mobile homes manufactured prior to 1987. Hermocillo voiced concerns about the people unable to move, future plans for the property, and affordable housing for displaced residents.

President Herbert Swender expressed his appreciation to Hermocillo and community members for their remarks. Swender went on to clarify that the seller of the property had approached GCCC regarding the purchase of the Spruce Street property, and that no concrete plans have been made for the property, although affordable housing and program expansions were a possibility. Swender explained that whenever the college had the opportunity to buy property contiguous to the existing campus it would be considered.

REPORT FROM STUDENT GOVERNMENT ASSOCIATION:

Moises Mora, President of Student Government Association, reported the following:

Past Events:

January 31 Free T- shirt Day, over 130 attended and designed their own shirt.

Mora and Gerstner expressed students' interest in GCCC becoming a tobacco-free campus. Trustees extended their appreciation to Mora for his report and encouraged students to submit a written recommendation regarding making GCCC a tobacco-free campus. Board chair Marilyn Douglass indicated Trustees would support a student request. Mora, along with Gerstner, will develop such a recommendation and bring to the board.
