CALL TO ORDER:

Chair Douglass called the special board meeting to order at 6:08 pm.

C. Public Hearing for the 2022-23 Budget

Correction in packet information: The proposed working budget for the combined General Fund and Post-Secondary Technical Education Fund for Fiscal Year 2022-23 is \$21,273,985.

Dr. Ruda directed the Trustees to page 7 in the packets. In July, during the retreat and we submitted revenue-neutral resolutions; at that point, our recommendation was to have a flat mill levy. We would maintain the same mill levy as the previous year into the 22-23 budget. As we have gone through conversations since then, on page 7, the far right column proposed budget 22-23 is based on a 25.339 mill levy. This decreases the mill levy from last year by .106 mills. Ad valorem county-wide has increased. This increase is attributed to business growth, housing growth, land value, and oil evaluation.

The Trustees will approve the budget presented and is the limit of what GCCC plans to budget. The actual budget will be voted on in September.

Move to approve and adopt the 2022-23 budget. Certify the 2022 Tax to be levied at \$13,245,441 (24.338 mills) General Fund and \$544,609 for Capital Outlay (1.001 mills).
