# **Review Monitoring Reports**

B-1. Annual, Executive Limitations, Essential Skills
Last month the Trustees charged Dr. Malone to seek information regarding adding technology to the Essential Skill. Dr. Malone spoke with Jamie Durler, Seth Kristalyn, and Samantha Sanger. He still needs to speak with the Faculty Senate. The timeline to add or change anything in Essential Skills is extensive as it affects everything down to curriculum outcome. This will integrate into each of the courses we offer. We do not have a conclusion yet, and Dr. Malone asked for more time to adequately consider this. Digital Literacy is currently in discussion as an option to add.

The Trustees discussed setting this up on a five-year time frame. The consensus on using language stating Digital Literacy.

Trustees asked Dr. Malone to report back in December.

Academic Advancement: Students desiring academic advancement will be prepared for successful transfer to other colleges and universities.

- 1. Students will have appropriate knowledge of transfer requirements.
- 2. Students will have the academic prerequisites sufficient for successful transfer
- 3. Students will have opportunities for advanced degrees.

**CEO's Interpretation:** During the 2022-2023 academic year, approximately 49% of GCCC degrees and certificates were awarded in transfer-oriented subjects, meaning students' intent was to transfer to a four-year university and pursue, at minimum, a Bachelor's degree. Serving these students effectively requires the College to monitor several key aspects of the student experience, particularly as it relates to how GCCC credits and a GCCC degree pairs with Bachelor's degree requirements throughout the state and how students are prepared for the transfer experience.

Indicators of successful academic transfer include:

- Students feel planning and advising is an important factor to their success.
- The College works to increase guaranteed transfer opportunities at the course, program, and state level.
- Students are able to transfer credits successfully to four-year universities.
- Students are academically prepared for success in four-year educational environments.

Each data point included below will be incorporated into the key performance indicators connected to the College's Strategic Plan.

#### **Background Information - Initiatives Designed to Support Academic Advancement:**

The College works continually to ensure its courses and program options are aligned at the state level, which helps students transfer seamlessly to four-year university options. This alignment is important as research shows students transferring from two- to four-year institutions can experience delays or "lose" credits because of misalignment. The College works to counteract this potential problem through a variety of initiatives:

#### **New Academic Catalog**

The College recently launched a new format for its Academic Catalog. Previously, the catalog was designed in a magazine format, involving the work of Marketing and PR and Information Technology. This resulted in a static PDF document with significant limitations including space constraints and lack of accessibility for the visually impaired. For the 24-26 cycle, the Academic Catalog is now a live, interactive digital document that is fully accessible and is much more efficient to maintain. The new catalog also does not have the same space constraints, meaning information about program and transfer requirements can be much more easily shared with both students and advisors. This is shared in more detail under "Articulation Agreements" below.

#### Kansas Core Outcomes Group (KCOG)

One of the major projects the College has been involved with is the Kansas Core Outcomes Group project run through the Board of Regents. Each year, GCCC sends a team of faculty to discuss common learning outcomes for courses. Each year some courses are reviewed, and some are added, and once on the list, the courses are guaranteed to transfer seamlessly between any public two-year and four-year institution within the state. There are currently 126 courses on the seamless transfer list. GCCC offers 113 of these courses. An additional 6 courses are under consideration this coming Fall 2024. In addition to strong faculty leadership in this project, Marc Malone serves on the Transfer and Articulation Council, the KBOR group which governs this project.

#### **Individual Articulation Agreements**

The college also works to articulate full programs between GCCC and four-year institutions in the state. Under these agreements, students can complete their Bachelor's degrees by taking a set list of GCCC courses combined with a set list of courses at the transfer institution. These agreements are established specifically between the academic departments at each institution and ensure that students have a seamless path of study toward a defined end goal.

Last year, as part of the Strategic Enrollment Management (SEM) plan, the college established a goal of "grow[ing] articulation agreements with four-year universities to ensure ease of transfer for GCCC students." A specific objective was to "strengthen existing institutional systems for articulation agreements to increase student and advisor awareness and usage by May 5, 2023." To accomplish this objective, the team created an "articulation database" (located at the bottom of this web page: <a href="https://gcccks.edu/academics/counseling\_advising/transfer\_info.aspx">https://gcccks.edu/academics/counseling\_advising/transfer\_info.aspx</a>) to better publicize the current program-to-program articulation agreements held by the college. The database is searchable by keyword and listed by transfer university and includes a summary of the requirements, a link to the formal agreement, and when possible a link to GCCC-specific information on the university's web site.

Because of the innovations with the new Academic Catalog, by the end of Summer 2024 all program articulations will be embedded and linked within each program description inside the catalog. We will also be adding articulation-specific degree maps within each program to help make the required academic plan easier for students and advisors to interpret.

#### Statewide General Education Framework

The College is participating in the Statewide General Education Framework, launching Fall 2024. Guaranteed transfer of all general education credits means that general education is the same at all public institutions across the state. Garden City Community College becomes the smartest financial decision any degree-seeking student in our region can make. General Education requirements are embedded into each of our programs as a system of 7 "buckets." In each degree plan/semester course sequence, the general education courses are noted as "SGE 010" through "SGE 070."

An example can be viewed here: https://catalog.gcccks.edu/preview program.php?catoid=3&poid=108&returnto=58

#### **Dual Advising Opportunities**

The College has long had a relationship with FHSU resulting in Dual Advising for individual students. We have expanded this instance to now include Wichita State University where we have a data sharing agreement. When students declare their transfer intent as WSU and give us permission to send their information to WSU, they are automatically connected with a dual advisor. This helps ensure students are informed about transfer requirements and they do not lose credits upon transfer.

#### **Supporting Data:**

1. Students will have appropriate knowledge of transfer requirements.

GCCC students perceive advising services to be both necessary to and helpful for their long-term success. Each year the College surveys students on their experience at GCCC. The Spring 2024 Student Assessment of Services (SAS) report shows that:

- 73.54% of students rated their overall experience with advising as either "Excellent" or "Good" (compared to 75.61% the previous year).
- 92.58% agreed their advisor was "courteous and helpful" (compared to 91.47% the previous year).
- 87.39% indicated they see an advisor each semester before registering for classes (compared to 85.88% the previous year), a sign the students are getting the appropriate guidance needed to successfully complete their degree requirements at GCCC.
- 74.67% of students indicated they know what is required to complete their degree or certificate (compared to 68.22% the previous year).
- 50.22% indicated they know where to get more information about transferring to a university (compared to 45.41% the previous year).

<sup>\*</sup> FHSU did not submit a complete transfer file to KBOR for the Fall 2021, Fall 2022 cohorts, so this data is likely artificially lowered.

One measure of student knowledge about transfer requirements is the number of credit hours students transfer from GCCC to four-year institutions in the state, shown in Table 2 below. Generally, the closer a college's number is to 60 credits, the stronger the transfer program. On average, GCCC students transferred 56.3 credits to these schools (52.62 in previous year), placing GCCC above the median transfer credit hour of 46.8 and first in the state (fourth in previous year). The lowest was from Independence Community College at 26.6 credit hours.

2. Students will have the academic prerequisites sufficient for successful transfer.

Table 1 below shows the number of students transferred to state universities from GCCC for students starting in the Fall 2022 cohort.

<sup>3.</sup> Students will have the opportunities for advanced degrees.

In addition to the ease of transfer discussed above, one of the most important elements of students having opportunities for advanced degrees is effective preparation for the rigor of those degrees. The college measures our effectiveness here in terms of student GPA after they transfer to a four-year university (Table 3 below) and the percentage of students who pass all credit hours taken at their four-year transfer university (Table 4 below). It is important to note that this data is based on each cohort or "set" of students who transfer, so it can fluctuate widely by year.

#### **GPAs After Transfer: Table 3 Below**

Based on Fall 2022 data from KBOR, GCCC average student GPAs are in line with the mean and the median GPAs of students who transfer to four-year universities from other community colleges in the state. In some cases, they are comparable to the mean GPA for students who are native to the university. Table 3 on the following page shows the average GPA of GCCC students as they transfer to each of the four-year universities. The table also shows average GPAs for students who started as freshmen at that university.

#### Percentage of Credit Hours Passed: Table 4 Below

Another element of the effective preparation of a GCCC degree in transfer is the percentage of students who pass all credit hours taken at their four-year transfer university (Table 4 below). On average, GCCC transfer students passed 66% of their credit hours with a C or higher (62% in previous year).

Generally, this data shows GCCC students have significant success upon transfer to a four-year university. The College has identified areas for improvement and will work on plans for longitudinal increased success.

Each month the Board receives a listing of all purchases over \$150,000 which have a contract or exclusivity. All other purchases over \$150,000 require board approval and have been presented to the board for review and approval accordingly.

#### Ramblings From Your Registrar's Office

#### Compliance Survey – Department of Veteran Affairs (VA)

- The following information is provided as per the Narrative Report provided by the Education Compliance Survey Specialist (ECSS) on May 7, 2024.
- General Information
  - Overview
    - Conducted onsite at GCCC on April 12, 2024, by ECSS Taun Chau, Saint George Consulting.
    - Entrance briefing was conducted onsite with Donna Boese, Assistant Registrar, who is our primary School Certifying Official (SCO).
      - The ECSS explained the survey's purpose, scope, and methodology.
      - The SCO provided guidance to ECSS regarding the organization and layout of the student records.
    - The purpose is to ensure that approved programs are compliant with all applicable provisions of Title 38, United States Code (USC) § 3693 administered by VA.
    - The date of our last approval was August 15, 2022. This date is within the 24-month limitation.
    - The review period for this routine onsite survey covered the period of May 26, 2020 January 5, 2024.
  - Student Sampling
    - The sample size was ten (10) VA beneficiaries and one (1) randomly selected non-VA beneficiary record.
    - The non-VA student file was reviewed to verify that the cost of tuition and fees for VA beneficiaries was not greater than the charges for similarly circumstanced students. The findings were consistent with the VA beneficiary records, and no issues were identified.
  - Prior Credit
    - This was reviewed, and credit was granted where appropriate. GCCC requires all students to provide official transcripts and military training records for evaluation. Evaluations are sent to the Registrar to determine if training is equivalent and granted. The transcripts do reflect transfer credit granted. GCCC was found to be within compliance.
  - GI Bill Feedback Tool:
    - This system was reviewed prior to survey and no complaints were found in the current review period.
- Discrepancies
  - The was only one (1) discrepancy found within the areas of review.
    - Type: The facility accurately and promptly reported enrollment and tuition & fees.
      - School Reported a certification on 03/19/2024 for the following:

Term Start: 12/11/2023
 Term End: 12/29/2023
 Due by: 01/10/2024

- Evaluation:
  - Clerical error of submitting the initial certification late.
- Recommendation:
  - The initial enrollment information must be submitted within 30 days of the beginning of the term. If possible, VA recommends pre-certifying a student's enrollment before the beginning of the term to prevent gaps in benefit payments.
  - No further action.
- Summary
  - An exit briefing was conducted with Donna Boese (primary SCO) and Nancy Unruh, Registrar (secondary SCO).
    - ECSS outlined the survey process.
    - ECSS presented any findings and gave the SCO(s) the opportunity to ask questions and provide further information.
    - ECSS expressed gratitude to the SCO(s) for their hospitality and commendable recordkeeping.
  - GCCC was found to be within compliance standards for the following:
    - Enrollment Limits
    - Repeat Discrepancies and/or Issues
    - Review of Advertising Materials

- Power of Attorney and Non-assignability of Benefits
- Independent Study
- Practical Training
- Cooperative Courses and Farm Cooperative courses
- Tutorial Assistance
- Advance Pay
- Nonduplication of Benefits
- Recruiting Practices
- Review of Annual Reporting Fees
- GI Bill Trademark
- Public Law 116-315, Section 1018
- Principles of Excellence (PoE)
- Registrar's Comments
  - Receiving only one deficiency with this survey is a testament to how our VA SCO strives for excellence in serving our students. Donna Boese:
    - Does an excellent job with our VA students.
    - She seeks out assistance by contacting the VA when needed.
    - She provides information to and refers Veterans for assistance as needed.
    - She and Kim Harrison, Comptroller, work well together to report correct tuition and fee information to the VA.
  - Thank you, Donna, for serving GCCC in this capacity!
